Meanwhile, Section 144 CrPC was later imposed in Belagavi. (With Agency Inputs) A bench comprising Chief Justice N V Ramana and Justices A S Bopanna and Hima Kohli sought the response in four weeks. The director of the movie is Chetan Kumar, who's known for action movies in the Kannada film industry. The protestors alleged that Kannada goons have defaced a statue of Chhatrapati Shivaji Maharaj in Bangalore. Following this, the Shiv Sena and Maharashtra Ekikaran Samiti (MES) followers gathered in Belagavi and protested against the Karnataka government at Dharmaveer Sambhaji, Maharaj Chowk. Jan 26, 2022, 19:52 PM IST The makers are planning to release the teaser and trailer in February The release of the movie has been planned for Puneeth's birthday on March 17. A bench comprising Chief Justice N V Ramana and Justices A S Bopanna and Hima Kohli sought the response in four weeks on the PIL filed by BJP leader and lawyer Ashwini Upadhyay. On the demand for banning MES, we are examining it legally. Bandh is not an answer for everything. "So we earnestly appeal to the organisations to drop the bandh call." For quite some time, the Maharashtra Ekikaran Samiti, a Marathi outfit, has been campaigning to merge Marathi speaking regions in Belagavi with Maharashtra. The poster shows Rajkumar as a soldier getting ready for action. We have taken strict action as per law against anti-Kannada forces. Puneeth's brothers, Shiva Rajkumar and Raghavendra Rajkumar, who are also star actors, have made special appearances in the movie. 'James' is the most anticipated movie of the Kannada film industry. Ten days ago, the Karnataka CM had lashed out at the Maharashtra Ekikaran Samiti (MES) saying, "It is a clear stand of the government that Mahajan report is final on the border issue, still some individuals and organisations are repeatedly causing disturbance to the peace and it is condemnable. This House unanimously condemns such acts and decides to punish the miscreants involved in it." "Belagavi is Karnataka's second power centre and it will be part of Karnataka and Kannadigas until the Sun and Moon are there, and Suvarna Vidhana Soudha is proof for it. Love Mocktail 2 Cabinet Reshuffle:Keerthy Suresh: Cabinet Reshuffle: Bengaluru: Samantha: Belagavi vandalism incident Tensions erupted in Belagavi after a purported video surfaced showing some people pouring black ink on the statue of Chhatrapati Shivaji Maharaj at Sankey Tank Road in Bengaluru. The miscreants smashed around 26 vehicles of the Karnataka government and police at Belagavi. The release of the movie has been planned for Puneeth's birthday on March 17. NEW DELHI: The fans of late Kannada superstar Puneeth Rajkumar were in for a Republic Day treat when the producers of his last movie 'James' released its poster. The fans of late Kannada superstar Puneeth Rajkumar were in for a Republic Day treat when the producers of his last movie 'James' released its poster. Puneeth had completed his part of the shoot before his tragic death. The plea said there should be a total ban on such populist measures to gain undue political favour from voters as they violate the Constitution and the ECI should take suitable deterrent measures. Ashwini Puneeth Rajkumar, the late actor's wife, shared the poster on her social media and wished fans on Republic Day. The movie is being made under the Kishore Productions banner. After some pro-Kannada organisations have called for a state-wide bandh on December 31, demanding a complete ban on the activities of the Maharashtra Ekikaran Samithi (MES), Karnataka Chief Minister Basavaraj Bommai assured that his government has already taken action against 'anti-Kannada forces' and was examining their demand for the ban legally, therefore, not to go ahead with it. CM Bommai said, "I appeal to organisations... as per their wishes, we have already taken several decisions. There is no compromise on it," he added. So I appeal to them through the media not to go ahead with the bandh. The makers are planning to release the teaser and trailer in February. The video immediately went viral. Jan 25, 2022, 14:24 PM IST New Delhi: The Supreme Court on Tuesday sought responses from the Centre and the Election Commission on a PIL seeking a direction to seize the election symbol or de-register a political party that promises or distributes 'irrational freebies' from public funds before elections.
